The Bourne Legacy

An All-New Jason Bourne Novel

Eric Van Lustbader

Capturing the spirit, tone, and excitement first created by Robert Ludlum in *The Bourne Identity*, this modern-day thriller marks the return of his most popular character—international assassin Jason Bourne.

In *The Bourne Legacy*, Jason Bourne is framed for murder, and while he fights to clear his name, he uncovers an international conspiracy with deadly consequences.

“Myriad cinematic hairsbreadth escapes, crosses, double crosses, explosions, furious fisticuffs and careening plot twists....A hearty serving of meat and potatoes action adventure.” —*Publishers Weekly*
